Chapter 1 by Story Wars

Once there was a little bunny hopping down the hill out of his home from under a tree. He was going to get in his tiny bunny Jeep. He was going to the beach with his happy bunny friends and his happy bunny parents. When they got to the beach a big wave came and knocked them all down. They all got up and laughed alot.

Then they went home and drank apple cider and ate carrot cake. The mom said, "I'm sleepy," and the dad said, "I am too." So every little bunny went to sleep. They woke up to a knock on the door. It was their friend Foxy. She wanted to go to Florida and have some fun with her friends. When they arrived to Florida they went to Disney World. They made a lot of new friends and played a lot of cool games. They went to the beach and made a really big sand castle.

The tide of luck, however, ebbs and flows as it does for the rest of us. The bunny had been happy for far too long. A drastic change was about to rock her little cottontail world.

It all started on Space Mountain. Maybe it was the copious amounts of sugar, or the hot sun melting their heads. But when the ride was in its final stretch, and Foxy reached over her lips to

Bunny and released a passionate kiss that could make snow melt, well, it was clearly a little surprising.
